Color & Size Variance

- This PDF file is being viewed on an RGB monitor therefore there will be a variance between the color on your screen and the color of the actual finished product.
- All PMS Colors are printed CMYK and are matched as close as possible.
- This proof should be used to inspect the layout, spelling, grammar, color selection and color appearance of your order.
- Colors printed on different mediums (ie: caps/leash and label) will not be an exact match.
- This proof is not an exact match of the finished product color or quality of the printed piece.
